08:30-09:00		QR [L] [확점4]		[GS] Action Plan to Improve Primary Health Care in Countries around the World - Focusing on	[GS] [Health and Society: Part II] The encounter between medicine and sociology, and Family Doctors in Multicultural Society	[GS] E-cigarette Debate What counts as Evidence in Korea?		[SM]	Oral Presentation 2  1. Continuity of care for patients with hypertension or diabetes mellitus reduced total medical costs and cardiovascular events in the Korean NHIS-HEALS cohort.	
09:00-09:30	[L]  the Korean Academy of Family Medicine-The Korean Society for Depression and Suicide Prevention Joint Symposium: Update on Current Knowledge on Management of Patients with Depression in Primary Care I  1. Clinical implications of third-generation cognitive behavioral therapy  - Hyun Sang Lee(RHIS ilsan Hospital)  2. Effective Interviewing Techniques Using Cognitive Behavioral Therapy in Patients with Depression  Kounseok Lee(Hanyang University College of Medicine)  Chair : Jae-Heon Kang(School of Medicine, Sungkyunkwan University)	Update of Core Clinical Competencies for Family Physicians - Hospital & Emergency Care: Latest Knowledge for Hospitalists  1. Fluid therapy for hospitalized patients and overlooked electrolyte abnormalities.  - Jiwon Ryu(Seoul National University College of Medicine)  2. Nutritional management for hospitalized patients  - Seung Guk Park(inje University College of Medicine)  3. Management of hospitalized patients with rheumatic diseases  - Hye Won Kim(Seoul National University College of Medicine)  4. Chair : Kiheon Lee(Seoul National University College of Medicine)	[L] [학점5] Latest Knowledge on Sleep Medicine for Primary Care Physicians  1. Treatment of insomnia - Wonsock Kim(Eulji University School of Medicine) 2. 수면다엄격사의 적응증 및 검사방법 - Jee Hyun Kim(Ewha Womans University Medical College) 3. Practical application and interpretation of polysomnography - Ji Ho Choi(Soonchunhyang University College	Asian countries:  1. Patient centered primary health care in Japan - Machiko Inoue(Department of Family and Community Medicine, Hamamatsu University School of Medicine, Japan)  2. Why are Taiwanese medical students willing to apply for family medicine? - Shao-Yi Cheng(MSc, DrPH, Director/ Professor, Department of Family Medicine, College of Medicine & Hospital National Taiwan University President, Taiwan Academy of Hospice Palliative Medicine) 3. Exploring ways to develop primary care to introduce a Korean-style primary care system - Kirsten Meisinger(Harvard Medicial School Center for Primary Care, USA)  4. Chair : BeLong Cho(Seoul National University College of Medicine)	1. Understanding Multicultural Society and Multicultural Families: Migrant Health and Health inequality  - Sou Hyun Jang(Department of Sociology, Korea University)  2. Population Health and Data Science using Social Network Analysis  - Eun Kyong Shin(Department of Sociology, Korea University)  - Chair : Hong Ji Song(Hallym University College of Medicine)	1. Health Consequences of E-cigarettes - Cheol Min Lee(Seoul National University College of Medicine) 2. The smoking cessation effect and harm reduction perspective of E-cigarette - Yoo seock Cheong(Dankook University College of Medicine) 3. Impact of electronic nicotine delivery systems (ENDS) on youth - Heejin Kim(Graduate School of Public Health Yonsei University) 4. Vaping in the UK: A Cultural Perspective - Kwanwook Kim(Duksung Women's University) 5. E-cigarette regulation in Australia - Heewon Kang(Seoul National University Graduate School of Public Health) (09:50-10:00) 6. Q&A  Chair: Yu Jin Paek(Hallym University College of Medicine)	- Sugyeong Kim(Bumin Hospital / Beplus Healthcare)  2. Introduction to Al in Medical Imaging and Interpretation  - Miso Jang(Promedius, Seoul Chuk hospital)  3. Introduction of Al-Based Personal Glucose Management Technology and Clinical Approaches for Patients  - Min Kyu Han(kakaohealthcare)	[Professional Qualification Examination Committee Seminar]  1. Resident Formative Assessment (Written Examination) Report - Jun-Hyuk Lee(Eulji University School of Medicine)  2. CPX(OSCE) as a in-training examination and feedback - Sang Keun Hahm(Hanil General Hospital)  3. Panel discussion - Hoon Ki Park(Hanyang University College of Medicine), Hyuk Jung Ween(Konkuk University College of Medicine), Do Hoon Kim(Korea University College of Medicine)  4. Chair : Keunmi Lee(Yeungnam University College of Medicine)	- Hee-Taik Kang(Yonsei University College of Medicine) 2. Changes in fatty liver disease and incident diabetes mellitus in young Korean adults - Kyeyeung Park(Hanyang University College of Medicine) 3. Overall fluctuations in the electrodermal activity signal and academic performance in medical students - Sang Yeoup Lee(Pusan National University's School of Medicine) 4. Characteristics of Critically III COVID-19 - Patients in Busan, Republic of Korea - Jung-min Lee(Busan Metropolitan City Hall) 5. Potentially Inappropriate Medication Use in Terminal Cancer Patients Referred to Home Hospice - Chung-woo Lee(Veterans Health Service Medical Center)	
			of Medicine) 4. Q&A 5. Sleep Disorders Commonly Encoutered in				• Chair : Hyung-kook Yang(LunitCARE Inc.)		Chair: A lum Han(Wonkwang University School of Medicine), A Sol Kim(School of Medicine, Kyungpook National University)	
10:00-10:15 10:15-10:30	Coffee Break (10:00~10:30)		Outpatient Clinic - Jung Kyung Hong(Seoul National University College of Medicine)	Coffee Break (10:00~10:30)			Coffee	Break (10:00~10:30) / 포스터 연제발표 (그랜드	-볼룸 B)	
10:45-11:00	[L] The Korean Academy of Family Medicine—The Korean Society for Depression and Suicide Prevention Joint Symposium: Update on Current Knowledge on Management of Patients with Depression in Primary Care II  3. Mental health screening tools applicable in outpatient clinics - around the Depression Anxiety Scale - Hee-Jin Kim(Department of Neurology, College of Medicine, Hanyang University) 4. Treatment of depression - YoungSoon Yang(Soonchunhyang University College of Medicine)	[L] Treatment of reflux esophagitis and helicobacter eradication  1. Treatment of gastroesophageal reflux disease and guideline of helicobacter pyrolic eradication  - Hee-Taik Kang(Yonsei University College of Medicine)  Chair : Sang Keun Hahm(Hanil General Hospital)	6. Q&A  A Chair : Sung Sunwoo(University of Ulsan College of Medicine), Young Kyu Park(Yeosu Chonam Hospital)	[GS] Residency training of family medicine in the world  1. Integrated residency training of family medicine in Vietnam.  - Phan Le An/(University of Medicine and Pharmacy at Ho Chi Minh city, Taiwan)  2. Family medicine residency training in Canada - X. Catherine Tong(McMaster University, Canada)  - (Supervisor) Sarah Kinzie(McMaster University, Canada)  3. Competency based residency training in Korea  - Yon Chul Park(Yonsei University Wonju College of Medicine)	[GS] Sarcopenia Symposium:  1. Diagnostic criteria of sarcopenia: the present and the future - Liang-Kung Chen (National Yang Ming Chiao Tung University, Taipei, 1st author of Asian Working Group for Sarcopenia 2019 Consensus, Taiwan)  2. Diagnostic tools of sarcopenia: What is updates? - Chang Won Won(Kyung Hee University College of Medicine)  3. Evidence of protein intake and physical activities for prevention and management of sarcopenia - Young Sang Kim(Cha University School of Medicine)	ABC of smoking cessation  1. Tobacco use disorder and nicotine	[SM] [幹者7] Patient interview using the BATHE technique  1. Clinical utility of the BATHE technique - Yu-hyeon Yi(Pusan National University's School of Medicine) 2. Therapeutic Talk with the Depressed Patient - Taejin Park(Inje University College of Medicine) 3. Counselling of the chronic complainer and patient with abnormal grief reaction - Joosung Park(Dong-A University College of Medicine)  ♣ Chair: Jong-Sung Kim(Chungnam National	[GS] Understanding and Practice of Meta-analysis Research for Family Doctors  1. Meta-analysis and Evidence Based Practice - Seung-Kwon Myung(National Cancer Center)  College of Medicine)	Oral Presentation 3  1. Multi-center validation and evaluation of osteoporosis screening deep learning models using chest radiographs  - Miso Jang(Promedius, Seoul Chuk hospital)  2. Association between Sedentary time and Anxiety in Korean adults based on the 2021 Korea National Health and Nutrition Examination Survey.  - So Hyeon Kim(Pusan National University's School of Medicine)  3. Association between blood pressure variability and survival time of terminal cancer patients  - Jung Youb Lee(Daegu Medical Center)  4. Effect of physical activity on quality of life (HINT-8) in adults with osteoarthritis	
11:00-11:30	Chair: Seung Bong Hong(School of Medicine, Sungkyunkwan University)			Conege of Medicine)  Chair : Keunmi Lee(Yeungnam University College of Medicine)	Chairs : Chang Won Won(Kyung Hee University College of Medicine)	Chair : Cheol Min Lee(Seoul National University College of Medicine)	University College of Medicine)		- Yungji Lim(Ewha Womans University Medical College)  Chair : Kyae Hyung Kim(Seoul National University College of Medicine)	
11:30-12:00	1. Overall review of L-carnitine; Metabolic Functions & additional beneficial effects - Hyejin Chun(Ewha Womans University Medical College)  Chair : Whanseok Choi(College of Medicine									
12:00-13:30	[Luncheon Symposium] - KakaoHealthcare  1. New Glucose Management Based on Continuous Glucose Monitoring, PASTA - Min Kyu Han(kakaohealthcare)  \$ Chair : Chul-Min Kim(College of Medicine of the Catholic University of Korea)	1.
